PROFESSIONAL SUMMARY

Frontend developer with hands-on experience building responsive and user-focused web interfaces using HTML, CSS, JavaScript, Vue.js, and Tailwind CSS. Comfortable working with Git/GitHub, translating designs into functional interfaces, debugging frontend issues, and learning modern development practices. Seeking a Frontend Development Internship to contribute to real-world projects while strengthening professional software development skills.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript,

Frameworks/Libraries: Vue.js, React.js, Tailwind CSS

Tools: Git, GitHub, VS Code, npm

Core Skills: Responsive Design, UI Development, Component-Based Development, API Integration, Debugging, Version Control

PROJECTS

Frontend Web Projects

- Developed responsive web interfaces using HTML, CSS, JavaScript, and Tailwind CSS.
- Built reusable and interactive UI components using Vue.js.
- Implemented responsive layouts optimized for desktop and mobile devices.
- Used Git and GitHub for source control, project management, and deployment workflows.
- Debugged frontend issues involving assets, responsiveness, dependencies, and deployment.

Personal Portfolio Website

- Designed and developed a personal portfolio website to showcase frontend development projects and technical skills.
- Applied responsive design principles to create a consistent experience across different screen sizes.
- Structured the project using modern frontend development practices.

EDUCATION

Bachelor of Science (B.Sc.) – Biochemistry

Federal University Oye-Ekiti (FUOYE)

ADDITIONAL EXPERIENCE

Graphic Design & Branding

- Experience creating digital designs and visual assets using Photoshop and CorelDRAW.
- Developed branding and packaging materials for businesses and organizations.
- Combines visual design knowledge with frontend development to create aesthetically focused user interfaces.

PROFESSIONAL STRENGTHS

- Problem-solving and debugging
- Fast learner and adaptable
- Attention to detail
- Team collaboration
- Strong interest in modern web technologies
- Ability to learn independently and apply new concepts
